

# ENJOY EVERY

## *little bite*

### **Rockit™ Apple Sailor Salad Cups**

- Core and dice Rockit apples.
- Toss with canned tuna or chicken - or leftover salmon from previous night's dinner! - with celery, onion, mayo, and a dash of Dijon.
- Scoop into little butter lettuce cups or pita halves.
- Bonus: add walnuts or pecans if you've got them onboard.

### **Galley-Friendly Rockit™ Apple Crisp Cups**

- Dice Rockits, toss with a squeeze of lemon, sugar, and cinnamon.
- Top with granola + a little butter.
- Bake in foil packets (on a small oven, grill, or even a covered skillet).
- Serve warm — no pie dish needed.

# rockit™

## Little in Size, Big on Taste

Rockit™ apples are the world's first miniature apple\*. Little in size, but big on taste, they are your ideal bite-sized snack.

Every little apple is naturally grown to be small but perfectly formed – a conveniently sized, healthy snack that is delightfully sweet and crisp. They have been carefully, picked and packed into premium packaging, so they stay cleaner, safer and fresher for longer.

The unique packaging locks in the fresh taste so anytime, anywhere you can enjoy a Rockit™ apple and love every little bite.
